## WHO TELLS THE PAST, AND HOW?

*BMW Edge, Federation Square, Melbourne*

Two teams of dynamic speakers – historians and writers who draw heavily on history in their work – will debate the contention that *‘history is best left to historians’* and in doing so, explore who tells the past and how.

Chaired by Radio National’s **Michelle Rayner** with a selection of superb panellists featuring **Robyn Annear, Susan Aykut, Rachel Buchanan, Graeme Davison, Alistair Thomson and Hannie Rayson.**

This promises to be a feisty session, sure to provoke some animated debate!
